Living in the countryside

Set in a tranquil rural location, this well-designed project enjoys all the modern infrastructure of an urban development but boasts thousands of square meters of landscaped green areas.

Stunning views of the surrounding mountains, countryside and sea, yet only a few minutes drive to the facilities and amenities accessible in the local area.

Elegantly designed these stunning maisonettes and villas offer a choice of different designs and sizes so there is something for every taste and budget, with an added optional advantage of a spacious roof terrace with a bar to enjoy the surrounding views.
